AN INITIATIVE OF

SAN ANTONIO  
BREAST  
CANCER  
SYMPOSIUM®

Dear Partners,

M | O | C Cancer Care & Research Centre is proudly organizing a flagship academic conference, the officially licenced Best of San Antonio Breast Cancer Symposium (SABCS) on 6<sup>th</sup> & 7<sup>th</sup> January 2024, at Trident, BKC, Mumbai. As you are aware that San Antonio Breast Cancer Symposium is a prestigious event of a high repute globally and M | O | C has been able to bring the path breaking and practice changing science to India through official means.

M | O | C Cancer Care & Research Centre intends to bring all the leading faculty engaged in dedicated breast cancer care from across India to come on a common platform to discuss the original research content from SABCS 2023 and also the relevance of the content in Indian context through case based interactive discussions during this conference. We expect over 150 faculty and 300 delegates to attend this 2 days academic feast on breast cancer.

For your esteemed organization, it will serve as an apt gathering for branding & networking opportunities to showcase your products and services. We request you to participate in this purely academic initiative with a sponsorship / grant to make this event a grand success. In the lieu of your valuable contribution, we will offer reasonable branding and academic opportunities (sponsored sessions / advisory board meetings) to you.

Looking forward for your participation.

Thank you.

**Dr. Mangesh Mekha**
